

# Houston 2009

Dust off your boots and hat and join us in Houston for an exciting educational opportunity. This is your chance to meet some of those people you have been talking to online. Network with your peers, your mentors and your students.

The conference kicks off on Friday at 6:00 pm with the Keynote speaker **Susan Friedman, Ph.D.** and “Beyond Classical and Operant Conditioning — Are there Other Ways Animals Learn?”

The conference continues all day on Saturday with many presentations including **Pamela Reid, Ph.D.** with “Dominance Theory: Are We Throwing Out the Baby With the Bathwater?”

Don't forget about Sunday! There will be Panel discussions and exciting topics to the end.
